- Social Studies: History, Civics, Geography, and Global Cultures

Specialty & Enrichment Classes

- **Culinary Arts:** Food science, nutrition, kitchen safety, and beginner meal prep
- **Fine Arts:** Visual arts, design, music exploration, and creative expression
- **Social Justice:** History of activism, equity, ethics, identity, and community engagement
- **Flex Lab:** Optional 1-on-1 tutoring, study halls, or passion projects

School-Wide Learning Goals

- **Mastery over memorization:** Every course is designed to deepen understanding and build long-term skills.
- **Collegiate preparation:** Students build habits of inquiry, collaboration, time management, and reflection.
- **Whole-child development:** Enrichment courses support creative, cultural, and emotional intelligence.

Additional Notes for Parents

- Attendance is required for all scheduled periods.
- Fridays are asynchronous with assignments in all core subjects and are reserved for testing, assignment recovery and rehearsals.
- Tutoring slots may be assigned during Flex Lab every Tuesday and Thursday.
- Progress is monitored weekly through digital dashboards, parent reports, and instructor check-ins.
